Soren Bendt Aaboe Pedersen is a Danish Storyboard Artist, Concept Artist, and Animatics Artist based in London.

He provides quick sketches through close collaboration with the Director, DOP, Art Dept, Editorial, and Stunts, allowing for free exploration and unifying ideas.

His over 10 years experience with film making and broad knowledge of various software packages, combined with classically trained drawing skills, allow him to find the quickest way to strongly convey an idea. This includes Storyboarding, 2.5D/3D Animatics, Concept Art or a combination tailored to the specific project.
